TUTORAGE MISSION STATEMENT

More Than a Café

About Us

Tutorage C.I.C. is a local Community Interest Company based in Stoke-on-Trent. We support children, young people and adults who may not thrive in traditional education settings and help them find a different path through learning, skills and community support.

After years of being closed, Hanley Park Pavilion is opening its doors again. We have built this café with donations, fundraising, volunteer support and a lot of hard work because we believe this beautiful building should once again belong to the people of Stoke-on-Trent.

Our Mission

We want Hanley Park Pavilion to become a welcoming community hub where people can:
learn new skills; gain recognised qualifications; receive one-to-one tuition and small-group support; build confidence and employability: volunteer and gain work experience; enjoy a warm, safe and inclusive space

Our Vision

The café is only the beginning.

As funding, donations and volunteers allow, we aim to develop the Pavilion into an inclusive education and community centre offering learning opportunities, practical training, youth programmes, family activities, community events and GCSE examination access for students who are not in school. Every coffee, cake and bap purchased helps us move one step closer to making that vision a reality.

Can You Help?

We welcome volunteers, donations of café equipment, fundraising support and community partnerships. If you would like to get involved, please speak to a member of staff or contact us through www.tutorage.co.uk.

Thank you for being part of the Pavilion's new beginning.

HANLEY PARK PAVILION | STOKE-ON-TRENT

Put the kettle on. Pull up a chair. Let's build something together.
